

I have listened to KLOVE for the last couple of years. The radio station is very beneficial to our community. If LPFM stations take a priority over FM translators we will lose KLOVE's signal. Please do not allow this to happen. In a world that is so insecure in these unstable times it is so nice to be able to depend on KLOVE. Radio plays a much bigger role in my life than TV. Thank You for your time and God Bless you,
Pam Rosenthal
